What it is, how it is abused and why you should care

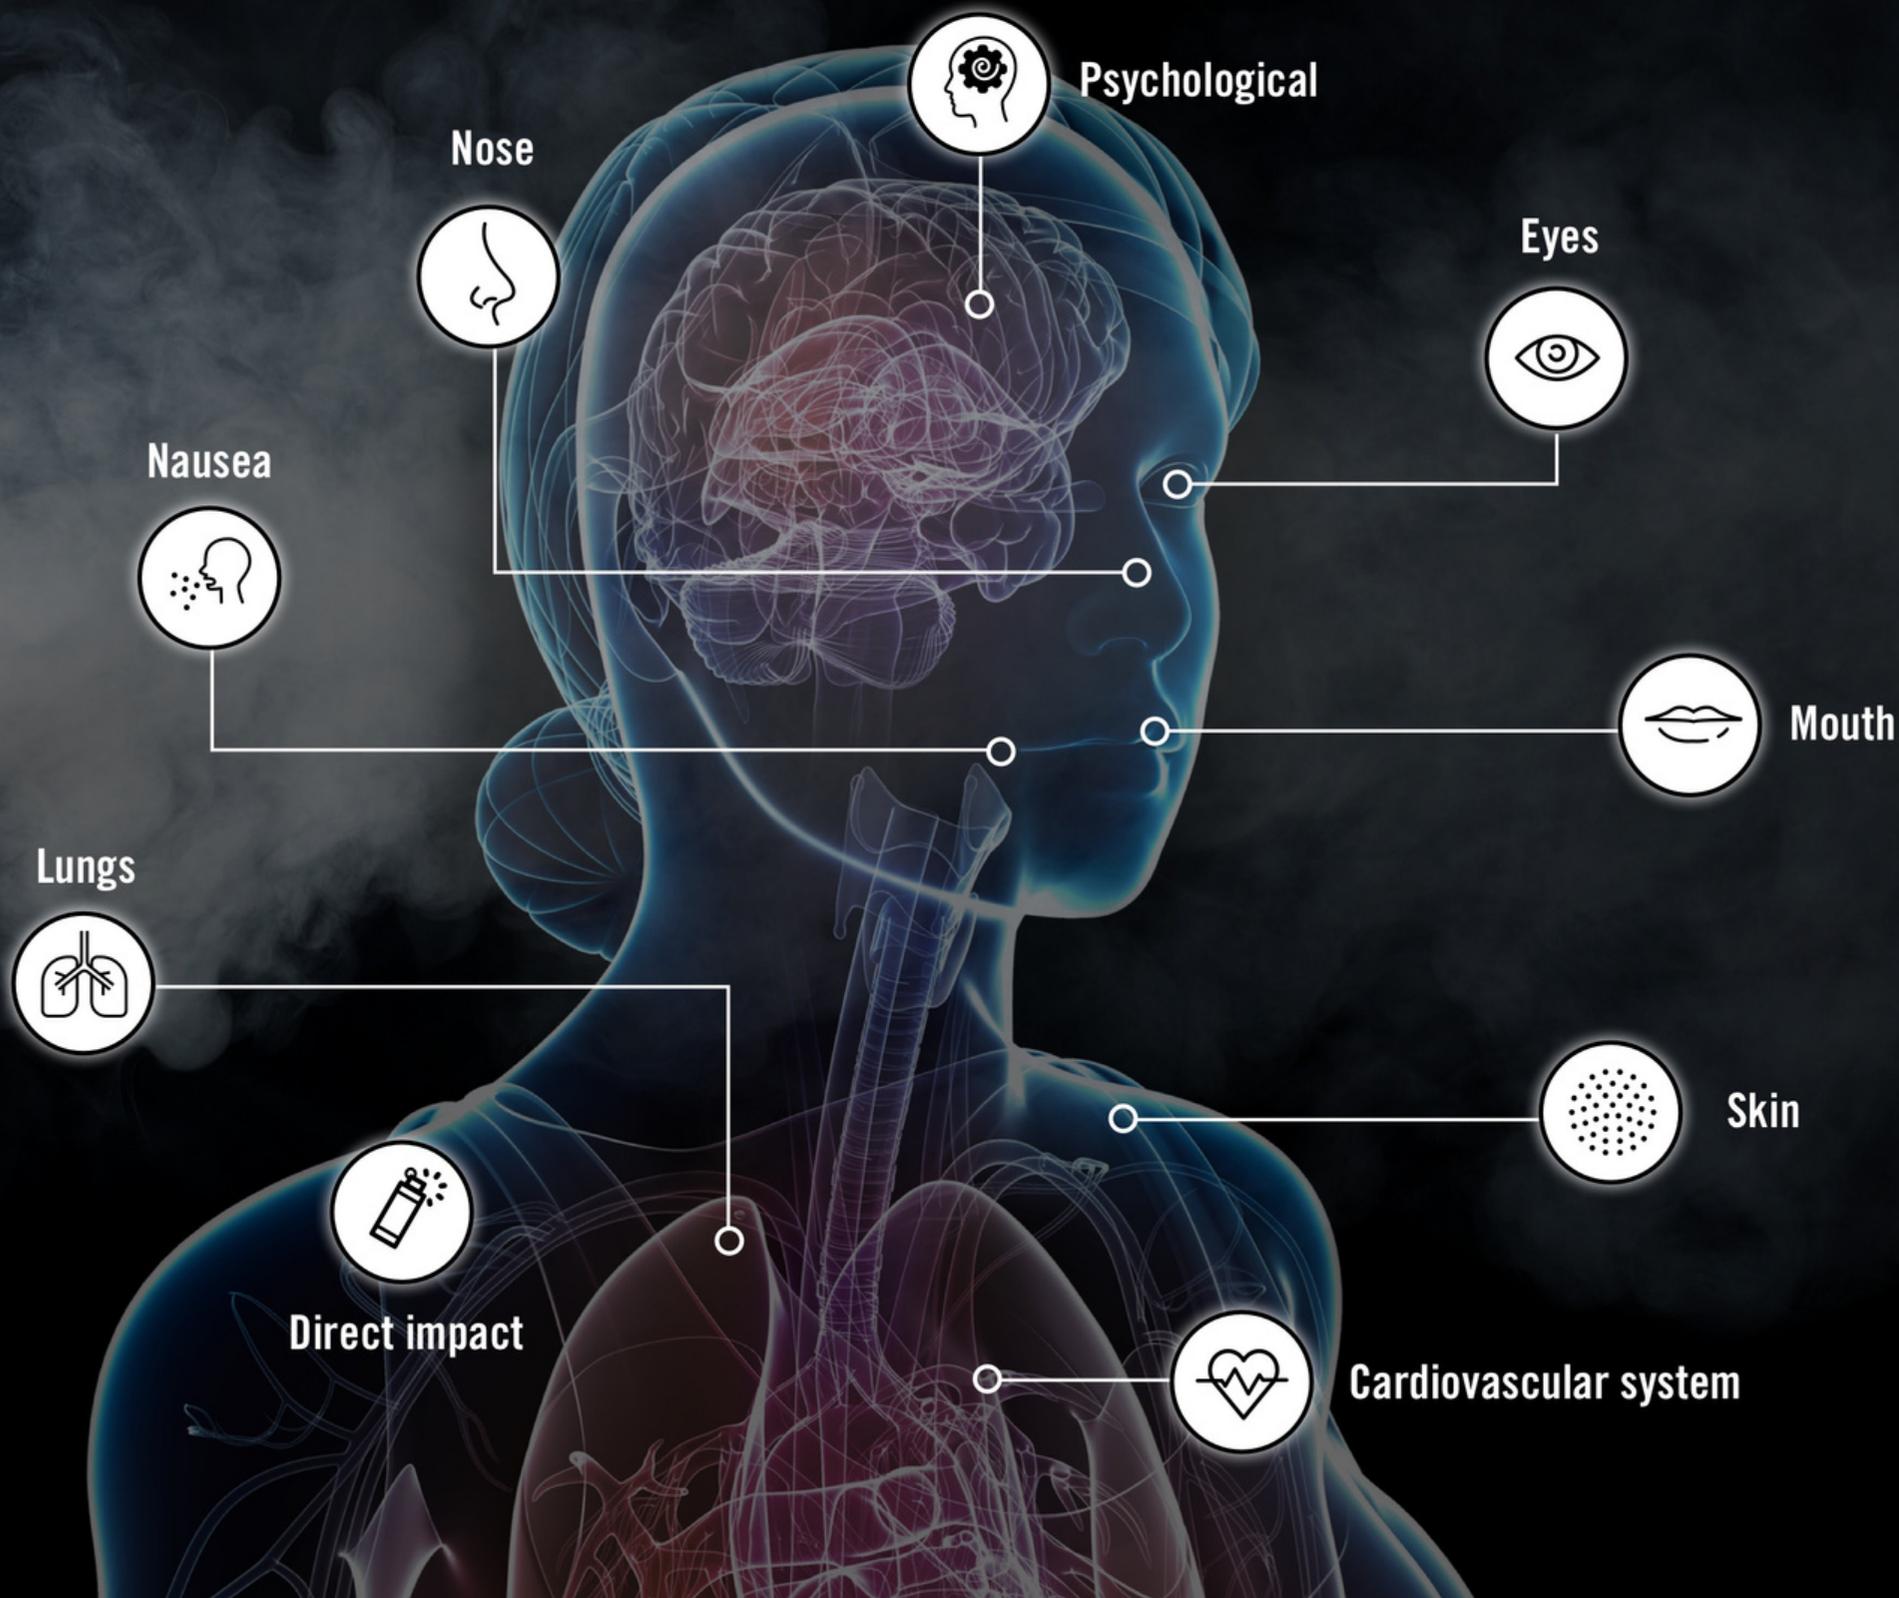

WHAT'S INSIDE TEAR GAS?

TEAR GAS HEALTH CONSEQUENCES

AMNESTY
INTERNATIONAL

HOW IS IT ABUSED?

Confined
spaces

Firing directly
at people

Excessive
quantities

Peaceful
demonstrations

Vulnerable
people

**AMNESTY
INTERNATIONAL**

A background image showing riot police in green uniforms and helmets, some holding shields, in a city street. There is a lot of blue smoke or tear gas in the air, and some sparks or debris are visible. The scene is captured in a slightly blurred, action-oriented style.
