Dear Prime Minister

To protect the Torres Strait Islands and the human rights of First Nations Peoples, I call on your government to take adequate and human rights-consistent climate action by rapidly reducing carbon emissions in line with the world commitment of limiting global warming to 1.5°C and in line with the best available scientific research.

Your government currently states that by 2030 it will reduce emissions 43% below 2005 levels. This is not enough to save the Torres Strait Islands. Leading climate scientists on the Climate Targets Panel calculate Australia's greenhouse emissions need to be reduced by 74% by 2030.

Yours sincerely,

Dear Minister,

I demand a thorough, impartial, independent, transparent and effective investigation into the killing and harassment of members of the Abahlali baseMjondolo (AbM) movement, including Thapelo Mohapi.

You must ensure that suspected perpetrators are brought to justice in fair trials and work to end the attacks against AbM members and their families.

Twenty-fiveour AbM members have been killed since 2009 and countless other members have been attacked and their properties destroyed. This has included attempted murders, threats of violence, targeted harassment, assault, damage to property, unlawful and forced evictions and trumped-up legal charges. This injustice must end.

Yours sincerely,

GOVERNOR OF ALABAMA

Dear Governor,

I urge you to use your power to grant clemency to Rocky Myers and commute his death sentence.

Rocky Myers's trial was flawed, with inconsistent testimonies and allegations of police pressure. One key witness against him later recanted his testimony, stating that he had lied. The overwhelmingly white jury recommended a sentence of life imprisonment, yet the judge sentenced Rocky Myers to death. This practice is now illegal in Alabama.

Rocky Myers was burdened with ineffective legal representation and abandoned by his post-conviction lawyer, meaning he unknowingly missed deadlines for appeal. He also has an intellectual disability. Please do not let Rocky Myers be executed.

Yours sincerely,

Dear Mr. Zuckerberg

I call on you to take responsibility, through effective and meaningful remedy, for your company's contribution to the atrocities committed against the Rohingya people in Myanmar. Meta's algorithms amplified anti-Rohingya incitement, fuelling the Myanmar military's violence.

Maung Sawyeddollah and his family were forced to flee Myanmar in 2017, when he was only 15 years old. Since Meta enabled hatred and discrimination against Rohingya people to thrive on the Facebook platform, Sawyeddollah and his community are calling on your company to pay reparations and fund education programmes in Cox's Bazar refugee camp in Bangladesh, where they now reside.

Sawyeddollah believes that education will help rebuild the shattered lives of people in his community.

Yours sincerely,
